LOS ANGELES CONVENTION CENTER

#POLITICON

Politicon is a non-partisan comic-con style event for politics and entertainment.

We've packed 2 days full of panels, debates, TV & movie screenings, live radio, podcasts, comedy shows, Q&A's, book signings, interviews, meet & greets, art exhibitions and music performances.

We have over 12 rooms ranging in capacity from 50 seaters to 500 at the Los Angeles Convention Center. We have programmed the event like a festival with various events happening at the same time.

It's up to you to pick your events - maybe a discussion between Newt Gingrich and David Axelrod or a Q&A with James Carville after a screening of the movie 'The War Room'. Or watch Hugh Hewitt chat live on his radio show with his special guests. *The choice is yours!*
